*Your Terps, your station.*

## **A Note from the Station Directors**

When we became station directors one year ago, our goal was simple: to expand our coverage across the board and push WMUC Sports to new levels. This past year, with your help, we have been able to expand our away coverage to include women's basketball, men's soccer, field hockey, and men's and women's lacrosse. We are so lucky to have such generous fans and alumni from our station and we hope to keep the rich tradition of broadcasting Maryland sporting events alive. We hope you can continue to help us give young broadcasters opportunities they can't get anywhere else. Thank you.

- Liam Beatus and Megan Smedley
